Unit Schools or Courses.

This Unit is now running a second of a series of Regimental Courses for Range Takers. The 1st course was of an experimental nature and lasted for 3 weeks with 8 candidates. The present course has 12 Candidates.

For the past two weeks we have been running a Regimental School for training M.T. Drivers I.C. This course finished on Tuesday 26th March 1940 and on Wednesday the 9 candidates were examined by a Board of Officers. Unofficial reports have it that at least 5 of the candidates qualified.

Towards the end of the week we received verbal instructions that the Unit was to be re-organized into Battalion Headquarters, H.Q. Company and two (2) duty Companies. (A & B) This re-organization was completed on the morning of the 30th of March 1940.

Scouts, (from each duty Company) are temporarily attached to the Communications Platoon and are receiving instructions in their duties. This instruction is being carried out in the woods at Point Pleasant Park where the Signallers go for wire laying practise on fine days.
