4. COMMUNICATION OF MILITARY INFORMATION (Cont'd)

4-A

6. (a) Attention is drawn to para 433(a) of K.R.(CAN) which provides in part:-

"An officer or soldier is forbidden to publish or communicate, either directly or indirectly, to the press, any military information, or his views on any military subject, without special authority from N.D.H.Q."

(b) Officers and other ranks are forbidden to communicate to the Press their personal views on any matter pertaining to, or connected with, their military duties.

For this purpose sandbags will, if necessary, be drawn on the scale of one sandbag for every two men and the cover will be made as follows under unit arrangements:

- (a) Cut across ONE side of the bag at a point 19 inches from the bottom.
- (b) Cut across the other side of the bag at a point 13 inches from the bottom.
- (c) Sever the edges of the bag between the two cuts making two portions each with a flap.
- (d) The portion which is open at both ends should be stitched up at the end opposite the flap.

No buttons will be attached, but slits should be made for the small "D's" on either side of the Mark VI haversack or for the large button, and whipcord of the Mark VII haversack. Haversacks will be cleaned before slip covers are applied.

The attention of all ranks is to be drawn to the fact the officers of the Canadian Women's Army Corps are granted His Majesty's Commission; consequently they will be paid the compliments prescribed for officers under the provisions of K.R. (Can).

Warrant Officers of C.W.A.C. are entitled to the same compliments as Warrant officers belonging to other Corps.
(7th D.R.O. #162/42).

3. DOCUMENTATION - CHANGE OF ADDRESS - NEXT OF KIN

3-A

Failure by soldiers to notify changes of address of their next-of-kin to their Commanding Officers or failure by unit to publish the changes in Part II Orders immediately, is a frequent cause of unnecessary correspondence and sometimes of suffering by the next-of-kin.

This failure to notify the changes of address necessarily causes a delay in the notification of a battle casualty or dangerous illness, and in addition it frequently leads to delay in respect of soldiers' and dependents' Allowances.

4. RETREAT

The behaviour of all ranks in all Coys. on field work these last few days and nights has proven their ability to stand up under adverse conditions.

Special commendation is made of 'D' Coy's march to Halifax and return.
