THE PRINCESS LOUISE FUSILIERS

8 April 43

Mayor J. Oddy,
Halifax,
Yorkshire, England.

Your Worship -

On this day we send to you and the Citizens of Halifax, Yorkshire an official group from The Princess Louise Fusiliers from Halifax, Nova Scotia with the sincere greetings of all ranks of this Regiment.

The Officers were chosen for their conscientious and efficient service. The senior Non-Commissioned Officers were selected by their Company Commanders for similar reasons. The fifteen other ranks were each elected by their comrades in the fifteen platoons of the Regiment as deserving special recognition for commendable service.

Many of this group have served in the unit since the outbreak of this war and some even prior to that in our Militia (Territorial) Regiment.

The father of Lieut. G.S. Bauld was a former Commanding Officer of the unit, serving in the last war and his younger brother Lieut. D.G. Bauld has just rejoined us yesterday after creditable service in North Africa attached to the First Army.

We certainly agree with your suggestion that we do look forward to the day when we will be able to rejoin our loved ones back in Halifax in Canada. In the meantime we greatly appreciate the courtesies and hospitality of the citizens of Halifax in England and trust that this visit will forge yet another link in that chain of friendship which joins our two cities.

On behalf of all ranks,
The Princess Louise Fusiliers.

H.S. Robinson
(H.S. Robinson)
Lieut-Colonel
Comd. P L Fus.

A delegation of two officers and 20 other ranks left the unit lines 8 Apr 43 and proceeded by train through London to Halifax, Yorkshire, on a good-will tour. Correspondence for the official visit was carried on between Lieut-Colonel H.S. Robinson and Mayor Oddy, as well as the president of the Halifax ~~Ranky~~ Rotary Club.

On arrival at the railway station in Halifax, the army party was welcomed officially by the mayor and president of the Rotary Club, and went to an hotel to a banquet, the guests of the organization. At the banquet, the members of the unit were introduced to the residents of the city with whom they were to live for the duration of their stay.

An interesting note on the evening's entertainment was a statement by the president of the club that the gong used to call the gathering to order was a gift from the Rotary club of Halifax, Nova Scotia.

After a great night's sleep between white sheets on the ~~softest~~ softest beds many of the boys had slept on in nearly four years, the group was taken on a short tour of the historic market-place on 9 Apr 43.

They were then escorted in small groups through a large woollen mill. Immediately following an official welcome by the Mayor at the city hall at noon and a banquet there, the city Water Works committee whisked the party and their hosts off in two large buses on a tour of the water supply, a trip which enabled the boys to get a good picture of the surrounding countryside. Strangely enough, at the home at the water works, there was no water, so everybody had to drink either whiskey or

beer. On the return to the city, the party was again the guests of the Rotary club at tea in one of the city's restaurants and during the evening were entertained at a dance conducted by the Army units stationed in the city.

On 10th Apr, the morning was left open, so that the hosts of the various guests could take them through their own factories, business houses or plants, some of which were engaged in important war work. Other members of the party accepted the invitation of the garrison adjutant and attended a smart inspection of a local unit.

After lunch with the civic authorities, the visitors attended an English soccer match. The boys from the unit got a lesson in the game--and so did the Halifax team. Huddersfield beat them 2-0. In the evening, the army group again were guests of the Rotary, at a stage show.

The following day, Sunday, the members of the unit were again the guests of their individual hosts and spent the time in many different ways. Some did a little sight-seeing, on foot, others played golf and a few just got a little exercise in elbow bending.

On 12th Apr 43, after a final farewell address by Mayor Oddy the group left to return to the unit, bringing with them a very high regard for the hospitality and friendliness of the people of Yorkshire. During their stay, all enjoyed at least once, a taste of real home-produced Yorkshire pudding. Speaking on behalf of the citizens of the city in general, the mayor said that Halifax Yorks would be only too glad to see many other members of the unit on their leaves

○ Providing an interesting touch to the entire visit was the fact that two photographers from Canadian Army Headquarters, somewhere in England, arrived on the scene and followed the group about throughout the entire trip. One photographer made a news reel of the affair, and copies of the film will have by now been sent to Halifax, Nova Scotia, the unit and the Rotary club in Halifax, York as well as the city hall there.

The other photographer took many still pictures which will be presented shortly to the unit and be kept in army files to commemorate the enjoyable break in the routine of army existence.
