NOTICE

There will be a movie at the Cinema in ALTAMURA
at 1900 hrs. 15 Dec 43.

Personnel will remain properly dressed while in the
theatre and other public places.

(f) Curfew - Curfew for all tps and civilians will be from 2100 hrs to 0500 hrs the following morning (except in MATERA, where curfew for civilians may be 2200 hrs). Only personnel on necessary duty will be away from their quarters during that period. Gds and patrols will ensure that curfew is strictly enforced, will check all persons found on streets during curfew and will apprehend all those who cannot give a satisfactory account of themselves.

(g) Gds and Picquets

(i) Where conveniently possible gds mounted at HQs located in towns will be ceremonial; outside towns they may be operational.

(ii) Dress for gds will be battle dress and skeleton web, steel helmet or soft head gear will be worn at the discretion of the CO. They will be armed with personal weapon, which, for operational gds, will be slung on the left shoulder. Special attention will be paid to turnout.

(iii) Gds and picquets and patrols will be fully instructed as to their duties. They will NOT stop flag cars. While at their posts they will not enter into any unnecessary conversation with anyone and will keep their posts clear of all civilians. They will pay proper compliments at all times. Identities will be checked and any suspicious person will be turned over to the comd of the gd.

(h) Use of firearms - Firearms, other than offrs pistol, will not be carried except on duty. Several serious accidents have occurred recently through careless handling of loaded weapons. Weapons will only be loaded when ordered for trg or operational purposes. Except in trg ops, firearms will only be discharged in cases of extreme necessity.

(i) Brit and Allied tps - The provisions of this order relating to discipline will apply with equal force to all Cdn Brit and Allied tps in the Div area.

3. CIVIL POPULATION

1. In all relations with the civil population all ranks will bear in mind that they are in occupation of a country which was until recently enemy territory. They must at all times be on their guard against sympathizers and ill-disposed persons and will refrain from fraternization or dealings with Italians beyond the limits of necessity. On the other hand a large proportion of the civil population regard the Allies as an army of liberation from oppression and looting by Fascists and Germans, and the conduct of our tps must at all times be such as to warrant the highest respect of the civil population. Acts of violence against the persons or property of members of the civil population will be dealt with the utmost severity.

2. Pro personnel and patrols and picquets will enforce all orders and regulations affecting the civilian population, if necessary employing the assistance of the civil police and carabinieri.

3. Procedure With Italian Offenders

When an Italian National is apprehended for stealing or being in the possession of Allied Military property or for any other offence the following steps will be taken by unit making arrest.

(a) After obtaining all available proof of identity, name, address and civil registration number, the accused will be handed into the nearest Carabinieri for custody, together with a charge.

(b) A copy of charge and statement of witness will be fwded forthwith to the AMI.

-----/over

(c) Statements of all available witnesses supporting the charge will be taken.

4. 20

1. APM will be responsible for TC in the towns of ALTAMURA, MATERA, and GRAVINA and for the provision of all necessary signs for traffic regulation in these towns and neighbouring areas.

2. Pro will est an infm centre in each town.

3. Speed limit in towns will be 20 mph. Every effort will be made to stop reckless driving.

5. FMN AND UNIT SIGNS

1. Fmns and units will be responsible for adequate signing of HQ and of all routes leading to HQ. The standard of signing required is such that a person entering the Div Area may be able to reach HQ of any fmn without the aid of a map. Units will be responsible for signing route from main roads to unit HQ. Types and sizes of signs will be co-ordinated by APM.

TOWN STANDING ORDERS

1. GENERAL

5 Cdn Armd Div Area insofar as adm is concerned consists of the towns of ALTAMURA, GRAVINA, MIGLIONICO, MATERA and their immediate vicinities.

The object of this HQ is to ensure that proper discipline is maintained in the area together with the maximum freedom possible for tps under the present circumstances.

It is emphasized again that only offrs and NCOs checking faults at once can proper discipline be maintained.

2. DISCIPLINE

(a) The efficient adm of the div area is only possible by strict observance and enforcement of orders and regulations governing the conduct of all persons military and civil within the area. It will therefore be the responsibility of all ranks of the div not only strictly to observe all such regulations and orders applicable to them, but also to enforce them by taking immediate action to forestall breaches and to apprehend offenders, COs will ensure that all ranks are clearly and fully instructed in their duties and responsibilities.

(b) Fmns will be responsible for policing and maintaining order and discipline in towns as follows:-

ALTAMURA	-	11 Cdn Inf Bde
MATERA	-	5 Cdn Armd Bde
GRAVINA	-	RCA

Fmns may call on other units stationed in their respective areas to contribute personnel for these duties proportionate to their respective str. APM will liaise direct with staffs of fmns on all matters relating to maint of order and discipline within each town.

(c) Each fmn will est a gd room centrally located in its town with adequate accom for detention of personnel taken into custody. Location of this gd room will be made known by appropriate signs and will be connected by telephone to fmn switchboards.

(d) Dress and Deportment - All tps on pass or on duty in streets of towns will be properly dressed and will conduct themselves in a smart and soldierly manner at all times. There will be no loitering on the streets or boisterous or rowdy conduct and no fraternization with the civilian population. Strict attention will be paid to the paying of compliments.

(e) Out of Bounds

(i) Towns, other than those in the immediate vicinity of Billets and offices, will be out of bounds to personnel except on duty until 1200 hrs daily. Personnel on duty will be provided with a pass issued by the unit orderly room bearing the orderly room stamp and legible signature of an offr and which will specify the town and the time for which it is valid.

(ii) All wine shops, wine vendors etc are out of bounds at all times except to personnel authorized to purchase sups for messes and canteens. Drinking of wine etc will be done in messes and canteens.

2. BUNGS, BARRELS - CONVERSATION
2-A

1. Approximately 30 per cent of empty barrels returned for filling are without bungs. This deficiency is largely due to carelessness.

2. Os.C. units will ensure that bungs are screwed firmly home when barrels are not in use. In addition to preventing the loss of bungs, this will guard against leakage and contamination of the contents.

(G.R.O./43)

3. HANDLING AND MOVEMENT OF ENEMY AMMUNITION
3-A

In view of a recent accident involving the death of several officers and men whilst handling enemy ammunition, it is necessary to draw the attention of all ranks to G.R.C. 506/43, which is repeated hereunder.

1. No enemy ammunition will be moved or handled until it has been examined by an I.O.O., who will, as the result of his examination, decide whether the amn will be destroyed in situ or wired off and indicated by warning notices pending further investigation, or whether it is safe to move. In the last case a report will be rendered to his H.Q. certifying that it is safe to move and under what conditions the movement will take place. Such movement may be authorized by the H.Q. receiving this certificate except as in para. 2 below. Only the above mentioned officer will examine, destroy, or certify enemy amn safe for movement.

2. No movement of enemy amn in bulk, by rail or ship, will be made without reference to A.P.H.Q. "Q" Maint, giving the following details:-

Type
Quantity
Number of packages and type of packages.
Group, which will also be marked on each package
Type of stowage necessary
Reason for proposed movement.

-----/over

3. Enemy aircraft bombs will be moved only under supervision of R.E. Bomb Disposal Units, with any necessary technical assistance from the R.A.F. The O.C. Bomb Disposal Unit responsible for inspection will make necessary certificate for move as in para.1; para. 2 also applies.

4. Enemy amm will not be stored nearer than one quarter of a mile from British amm and explosives.

5. All working parties of all services, including dock labour involved in the movement of enemy ammunition will be warned personally by a qualified officer on every occasion prior to handling enemy ammunition as to the precautions which must be observed during the movement, and such work will be supervised by qualified technical personnel. Local native labour will not be utilized for handling enemy ammunition.

6. G.R.O. 421 concerning the transport of British ammunition applies equally to the movement of enemy ammunition where authorized.

3. DAMAGE TO COMNS
3-A

1. " In the past few weeks damage has been caused to the overhead telephone and telegraph routes of the Allied Forces in ITALY by the following causes:-
 - (a) The deliberate shooting at insulators with small arms by tps.
 - (b) The inadvertent destruction by our own arty through siting guns with the overhead routes in the line of fire.
 - (c) The felling of trees across routes by Italian Labour.
 - (d) The faulty construction of an Italian power route resulting in the wires of the latter making contact with the telephone route.
 - (e) The breakage of insulators by stones thrown by Italian children.
 - (f) Deliberate cutting down of telegraph poles for convenience in siting AA guns.
 - (g) Deliberate cutting down of poles for use as fire wood, or for amateur engineer construction of some form or other.
 - (h) Inadvertent knocking down by MT of poles placed close to the rd, or exits and entries to rds.
